Attorney Leahy,

Could you please pass on this communication to the Town of Westborough?

The trustee has sent a detailed proposal to Attorney Smerge, who represents the Town of Westborough, regarding the sale of the property under Bankruptcy Code Section 363. The proposal allows a sale to Ferris or any higher bidder and has been reviewed by the Select Board. However, they need more time to decide and have requested to postpone the hearing on the Motion for Relief from Stay until early February.

It is not uncommon for the Select Board to need additional time to review and consider such proposals, especially when they involve complex legal and financial decisions. However, due to the unique circumstances surrounding this case, it is requested that the Select Board hold an emergency meeting and involve all necessary parties to make a decision. This will prevent the hearing on the Motion for Relief from Stay from being continued.

If the hearing is continued, the Town of Westboro should expect another lawsuit after the sale of the property. I intend to bring a case for malicious prosecution and abuse of process against the town. This is not a threat but an honest communication of intentions.

The town can avoid this situation by being responsible and quickly resolving the matter instead of dragging it out further.

I do not wish to postpone the hearing scheduled for Thursday, December 21, 2023. The case has been ongoing for more than a year without reason.

Thank you,

Lolonyon Akouete
